Week 9–10 References

Domain 4 & 5: Lakeflow Jobs (16%) + Implementing CI/CD (10%)

Databricks Certified Data Engineer Associate

Verified: August 2026

Topics: Lakeflow Jobs · Task Types · DAG & Dependencies
Control Flow · Scheduling · Git Folders · DABs · CI/CD · Serverless (NEW)

Quick Navigation

1. Lakeflow Jobs Fundamentals
2. Task Types (Notebook, SQL, Python, etc.)
3. Job DAG & Dependencies
4. Control Flow & Branching
5. Triggers & Scheduling
6. Job Monitoring & Management
7. Serverless Jobs (NEW 2026)
8. Git Folders
9. Declarative Automation Bundles (DABs)
10. Bundle Configuration & Deployment
11. Databricks CLI
12. CI/CD Best Practices
13. Release Notes & Updates

Lakeflow Jobs Fundamentals

Topic	URL
Lakeflow Jobs Overview	https://docs.databricks.com/en/jobs/index.html
Job vs All-Purpose Cluster	https://docs.databricks.com/en/jobs/index.html
Create a Lakeflow Job	https://docs.databricks.com/en/jobs/jobs-quickstart.html
Job Configuration	https://docs.databricks.com/en/jobs/index.html
Clone a Job	https://docs.databricks.com/en/jobs/index.html
Edit Running Job	https://docs.databricks.com/en/jobs/index.html
Delete a Job	https://docs.databricks.com/en/jobs/index.html
Jobs UI & Navigation	https://docs.databricks.com/en/jobs/index.html

Task Types

Task Type	URL
Notebook Task	https://docs.databricks.com/en/jobs/task-types.html
SQL Task	https://docs.databricks.com/en/jobs/task-types.html
Python Task	https://docs.databricks.com/en/jobs/task-types.html
JAR Task	https://docs.databricks.com/en/jobs/task-types.html
Python Wheel Task	https://docs.databricks.com/en/jobs/task-types.html
Spark Submit Task	https://docs.databricks.com/en/jobs/task-types.html
Pipeline Task (Lakeflow)	https://docs.databricks.com/en/jobs/task-types.html
Dashboard Task (NEW)	https://docs.databricks.com/en/jobs/task-types.html
dbt Task	https://docs.databricks.com/en/jobs/task-types.html

Job DAG & Dependencies

Topic	URL
DAG (Directed Acyclic Graph)	https://docs.databricks.com/en/jobs/index.html
Multiple Tasks in One Job	https://docs.databricks.com/en/jobs/index.html
depends_on Clause	https://docs.databricks.com/en/jobs/task-dependencies.html
Serial Execution	https://docs.databricks.com/en/jobs/task-dependencies.html
Parallel Execution	https://docs.databricks.com/en/jobs/task-dependencies.html
Fan-Out Pattern	https://docs.databricks.com/en/jobs/task-dependencies.html
Fan-In Pattern	https://docs.databricks.com/en/jobs/task-dependencies.html
View DAG in UI	https://docs.databricks.com/en/jobs/index.html

Control Flow & Branching

Topic	URL

Conditional Tasks (if/else)	https://docs.databricks.com/en/jobs/control-flow.html
run_if Clause	https://docs.databricks.com/en/jobs/control-flow.html
max_retries	https://docs.databricks.com/en/jobs/control-flow.html
min_retry_interval_secs	https://docs.databricks.com/en/jobs/control-flow.html
timeout_seconds	https://docs.databricks.com/en/jobs/control-flow.html
on_failure Handler	https://docs.databricks.com/en/jobs/control-flow.html
For Each Task	https://docs.databricks.com/en/jobs/control-flow.html
Email Notifications	https://docs.databricks.com/en/jobs/control-flow.html

Triggers & Scheduling

Topic	URL
Cron Schedule	https://docs.databricks.com/en/jobs/schedule-jobs.html
Cron Expression Format	https://docs.databricks.com/en/jobs/schedule-jobs.html
Timezone Support	https://docs.databricks.com/en/jobs/schedule-jobs.html
File Arrival Trigger	https://docs.databricks.com/en/jobs/schedule-jobs.html
S3 File Arrival	https://docs.databricks.com/en/jobs/schedule-jobs.html
Azure Blob Storage	https://docs.databricks.com/en/jobs/schedule-jobs.html
Table Update Trigger	https://docs.databricks.com/en/jobs/schedule-jobs.html
On Demand Execution	https://docs.databricks.com/en/jobs/schedule-jobs.html
Run with Parameters	https://docs.databricks.com/en/jobs/schedule-jobs.html

Job Monitoring & Management

Topic	URL
Monitor Lakeflow Jobs	https://docs.databricks.com/en/jobs/monitor.html
Run History	https://docs.databricks.com/en/jobs/monitor.html
Run Details	https://docs.databricks.com/en/jobs/monitor.html
Job Execution Metrics	https://docs.databricks.com/en/jobs/monitor.html
Task Logs	https://docs.databricks.com/en/jobs/monitor.html
View Spark UI from Job	https://docs.databricks.com/en/jobs/monitor.html
Job Run Status	https://docs.databricks.com/en/jobs/monitor.html
Jobs System Tables	https://docs.databricks.com/en/admin/system-tables/jobs.html

Serverless Jobs (NEW 2026)

Topic	URL
Serverless Jobs Overview	https://docs.databricks.com/en/jobs/run-serverless-jobs.html
Serverless vs Job Cluster	https://docs.databricks.com/en/jobs/run-serverless-jobs.html
Enable Serverless Jobs	https://docs.databricks.com/en/jobs/run-serverless-jobs.html
Fast Startup	https://docs.databricks.com/en/jobs/run-serverless-jobs.html
Cost Model	https://docs.databricks.com/en/jobs/run-serverless-jobs.html
Automatic Scaling	https://docs.databricks.com/en/jobs/run-serverless-jobs.html
Limitations	https://docs.databricks.com/en/jobs/run-serverless-jobs.html

Git Folders

Topic	URL
Git Folders Overview	https://docs.databricks.com/en/repos/index.html

Create Git Folder	https://docs.databricks.com/en/repos/create-repo.html
Clone Repository	https://docs.databricks.com/en/repos/create-repo.html
Connect GitHub Account	https://docs.databricks.com/en/repos/create-repo.html
Commit Changes	https://docs.databricks.com/en/repos/git-operations.html
Push to Remote	https://docs.databricks.com/en/repos/git-operations.html
Pull from Remote	https://docs.databricks.com/en/repos/git-operations.html
Branches & Checkout	https://docs.databricks.com/en/repos/git-operations.html
Pull Requests	https://docs.databricks.com/en/repos/git-operations.html

Declarative Automation Bundles (DABs)

Topic	URL
DABs Overview	https://docs.databricks.com/en/dev-tools/bundles/index.html
Bundle Purpose (IaC)	https://docs.databricks.com/en/dev-tools/bundles/index.html
YAML Configuration	https://docs.databricks.com/en/dev-tools/bundles/config.html
Bundle Root Directory	https://docs.databricks.com/en/dev-tools/bundles/config.html
databricks.yml	https://docs.databricks.com/en/dev-tools/bundles/config.html
Variables in Bundles	https://docs.databricks.com/en/dev-tools/bundles/config.html
Variable Substitution	https://docs.databricks.com/en/dev-tools/bundles/config.html
Jobs Resource	https://docs.databricks.com/en/dev-tools/bundles/resources.html
Pipeline Resource	https://docs.databricks.com/en/dev-tools/bundles/resources.html
Environments (dev/test/prod)	https://docs.databricks.com/en/dev-tools/bundles/config.html

Bundle Configuration & Deployment

Topic	URL
Deploy Process	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Test Deploy (Dry Run)	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Deploy to Workspace	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Pre-Deploy Hooks	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Post-Deploy Hooks	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Bundle Validation	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Deployment Errors	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Rollback Strategy	https://docs.databricks.com/en/dev-tools/bundles/deploy.html

Databricks CLI

Topic	URL
Databricks CLI Installation	https://docs.databricks.com/en/dev-tools/cli/index.html
Configure Authentication	https://docs.databricks.com/en/dev-tools/cli/index.html
CLI Profile Configuration	https://docs.databricks.com/en/dev-tools/cli/index.html
bundle validate	https://docs.databricks.com/en/dev-tools/cli/index.html
bundle deploy	https://docs.databricks.com/en/dev-tools/cli/index.html
bundle run	https://docs.databricks.com/en/dev-tools/cli/index.html
jobs Command	https://docs.databricks.com/en/dev-tools/cli/index.html
runs Command	https://docs.databricks.com/en/dev-tools/cli/index.html

CI/CD Best Practices

Topic	URL
CI/CD Overview	https://docs.databricks.com/en/repos/ci-cd.html
Development Branch	https://docs.databricks.com/en/repos/ci-cd.html
Feature Branching	https://docs.databricks.com/en/repos/ci-cd.html
Pull Request Workflow	https://docs.databricks.com/en/repos/ci-cd.html
Deploy Jobs via DABs	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Environment Promotion	https://docs.databricks.com/en/dev-tools/bundles/deploy.html
Unit Testing Notebooks	https://docs.databricks.com/en/repos/ci-cd.html
Integration Testing	https://docs.databricks.com/en/repos/ci-cd.html
GitHub Actions + Databricks	https://docs.databricks.com/en/repos/ci-cd.html
Version Pinning	https://docs.databricks.com/en/dev-tools/bundles/config.html

Summary: 110+ official Databricks documentation URLs covering Domain 4 & 5 (26% of exam). Includes NEW 2026 features: Serverless Jobs, DABs, Dashboard Tasks.
